CPA PROGRAM

The CPA Program, delivered through distance learning, includes four compulsory subjects and two electives, and a practical experience component. Each subject in the CPA Program incorporates contemporary and internationally relevant materials, including business case studies. The practical experience requirement requires the candidate to complete at least three years' supervised, relevant work experience in accounting and finance.

The CPA Program examinations are held in April and October around the globe. Members who have completed the CPA Program can also claim credits in specialist masters and MBA degrees offered by higher education providers worldwide.

INTERNATIONAL RECOGNITION

Through strategic alliances with the following bodies, CPA Australia members form part of a global network of professional accountants.

- Certified General Accountants – Canada (CGA Canada)
- Certified Management Accountants Canada (CMA Canada)
- Chartered Institute of Management Accountants (CIMA)
- Chartered Institute of Public Finance and Accountancy (CIPFA)
